

Getting Started

Starter Packages & Combos

Unsure of where to start and what to have designed for your companies new marketing items? Thinking of getting a new logo for your companies branding efforts? Well, you can't just go handing your new customers a logo and expect them to understand what it is your company can do for them. Ignitra Marketing Group decided that most companies can get a great jump start to their new branding efforts and marketing design changes by utilizing a few starter items. Inside this pamphlet you will find an array of options that can get your company started in the right direction towards great marketing success. Options that are available to get you started:

- Starter Package (5 Logo Concepts)
- Silver Package (8 Logo Concepts)
- Gold Package (Unlimited Logo Concepts)
- Combo I (Logo + Stationary)
- Combo II (Logo + Stationary + Website)
- Combo III (Complete Corporate Identity)
